

23 June 2022

Mr S Cameron  
Employers' Side Joint Secretary

Dear Simon

Following the AGM of the SNCT Teachers' Panel on 21 June, I write to convey the Panel's anger and frustration over the failure of COSLA to make an improved pay offer, following rejection of the offer of 18 May.

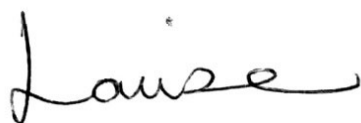

Our pay claim was lodged on 7 February 2022 and the pay award for 2022/23 is nearly 3 months overdue.

Following the rejection on 18 May, we were advised by the Employers' Side to expect an improved pay offer following COSLA Leaders' meeting on Friday 17 June. To date, no improved offer has been made. The Panel requests that this is not further delayed.

Please advise when an offer will be made.

It is imperative that further delay is avoided and we look forward to a swift response.

Yours sincerely

Louise Wilson  
Teachers' Side Joint Secretary
